MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM: SA/DCI/IA

SUBJECT: Meeting with Secretary Weinberger,
10 December 1982

1. Please forgive me for the bulkiness of this book, but most of it is material you have seen before and is included herein only for reference.

2. The following items are on your agenda for tomorrow morning's discussion:

- Sec Def Trip to Europe. Weinberger is prepared to brief you on his recent trip to Yugoslavia, as well as the NATO ministerial meeting. For your advanced reading, I have included cables reporting on his discussions with the Yugoslav President and a couple of cables reporting on NATO discussions of INF deployment. If appropriate, you may wish to discuss the results of your meetings earlier this week on INF. You may wish also to mention that we are preparing a SNIE on the Yugoslav economic crisis.
- MX/Dense Pack. You may wish to pass on to Weinberger the results of [] appearance yesterday before the SSCI. [] has prepared a short summary for you.) I have also included the copy of Weinberger's testimony which was sent to us prior to his appearance yesterday before the Senate Arms Services Committee. You might choose to mention to him the change we would have preferred him to make on page 11, where he addresses US counters to Soviet counters. Finally, I have included a copy of Ustinov's recent interview, where he reacted to the MX basing decision
- Zia Visit. You may wish to ask Weinberger how his discussions went with Zia this week. The memo you produced on the nuclear weapons issue is included, as well as a report that the F-16 radar issue has been resolved. You may wish to ask him for a more detailed explanation of that decision.
